1. Which products are you presenting at the trade fairs?

electronica India

- | | | |
|--|--|---|
| <input type="checkbox"/> Automotive | <input type="checkbox"/> Electronic Manufacturing Services (EMS) | <input type="checkbox"/> Power supplies |
| <input type="checkbox"/> Assemblies and subsystems | <input type="checkbox"/> Embedded systems | <input type="checkbox"/> Semiconductors |
| <input type="checkbox"/> Cables and connectors/relays | <input type="checkbox"/> Information gathering and services | <input type="checkbox"/> Sensor technology |
| <input type="checkbox"/> Displays and LEDs | <input type="checkbox"/> Micro- and nanosystems | <input type="checkbox"/> Test and measurement |
| <input type="checkbox"/> Electromechanics/system periphery | <input type="checkbox"/> Passive components | <input type="checkbox"/> Wireless |
| <input type="checkbox"/> Electronic Design (ED/EDA) | <input type="checkbox"/> PCBs and other circuit carriers | |

productronica India

- | | |
|--|--|
| <input type="checkbox"/> 3D printing, additive manufacturing | <input type="checkbox"/> Photovoltaics production |
| <input type="checkbox"/> Cleanroom technology | <input type="checkbox"/> Product finishing |
| <input type="checkbox"/> Coilware production | <input type="checkbox"/> Production logistics and material-flow technology |
| <input type="checkbox"/> Component mount technology | <input type="checkbox"/> Production materials/equipment and environmental technology |
| <input type="checkbox"/> Displays, LEDs and discretes production | <input type="checkbox"/> Production subsystems |
| <input type="checkbox"/> Electronic Manufacturing Services (EMS) | <input type="checkbox"/> Production technologies for batteries and electrical energy storage |
| <input type="checkbox"/> Hybrid-component manufacturing | <input type="checkbox"/> Production technologies for cables and connectors |
| <input type="checkbox"/> IT to production, Industry 4.0 | <input type="checkbox"/> Semiconductor production |
| <input type="checkbox"/> Materials processing | <input type="checkbox"/> Services |
| <input type="checkbox"/> Micronano production | <input type="checkbox"/> Soldering technology and joining |
| <input type="checkbox"/> Organic and printed electronics | <input type="checkbox"/> Test and measurement, quality assurance |
| <input type="checkbox"/> PCBs and other circuit carriers manufacturing | |

2. What are your main expected visitor target industries for your trade fair presentation? (ranked by importance)

Example: 1. automotive (main target), 2. consumer, 3. industrial electronics, etc.

1.	4.
2.	5.
3.	6.

3. Which are your target designations/departments? (ranked by importance)

Example: 1. purchase (main target), 2. head from QA/QC, 3. research, etc.

1.	4.
2.	5.
3.	6.

4. Please list up to 10 companies/professionals you would like to meet during the exhibition (ranked by importance):

1. (main target)	6.
2.	7.
3.	8.
4.	9.
5.	10.

5. Are you interested to be dealer, distributor or sales agent and meet manufacturers? YES NO

Date & place:

Legally valid signature & stamp:
