

Smart Cards Expo—focus on smart card technologies

Smart Cards Expo will be co-located with electronica India and productronica India.

Smart Cards Expo is India's only trade fair focusing on smartcards, biometrics, RFID and related applications.

The supporting program is covering the latest technologies on smart cards, RFID, e-Security, IoT and aims to connect and inspire solutions providers, practitioners and decision makers, including banks, government, logistics and IT.

Co-located with Smart Cards Expo:

- IoT India Expo 2019
- Rfid India Expo 2019
- Digital payments India Expo 2019
- e-Security Expo 2019
- Biometrics India Expo 2019
